What to Bring

Casual clothing and footwear that you don't mind getting wet are appropriate for this river trip. Mountain weather is ever-changing and unpredictable so bring a sweater or jacket just in case. We operate "rain or shine" and will provide a rain poncho when required. Cameras are welcome. However, you bring a camera at your own risk and responsibility. Souvenir photographs of your raft trip will be available for your viewing and purchase.

Safety and Responsibility

Each raft is manned by a qualified National Parks' licensed Guide. A personal flotation device will be provided for each person to wear rafting.

While we make every effort to assure a safe trip, customers must acknowledge that the sport of rafting does involve inherent risk. Jasper Raft Tours Ltd., its owners, directors, employees and/or agents will not be responsible for any dangers, injuries, losses, delays or expenses caused by reason of rafting and all related activities. With this in mind, each participant will be required to sign a waiver and release form prior to departure.

We reserve the right to cancel/change a trip.

Bring the entire family and join us for a unique perspective of Jasper National Park. Our 16 kilometre, 2½ hour round trip passes through many small sets of rapids and calm stretches, which allows your National Park licensed Guide to point out the natural and human history of Jasper.

Our specially designed rafts offer a safe, comfortable ride that any first-time rafter will enjoy. This trip is for everyone from toddlers to seniors.
